

The Board of Directors of Servizi Italia approves resolutions on corporate governance and launches the buy-back program as authorized by today's Shareholders' Meeting

Castellina di Soragna (PR), Italy, 20 April 2021

The Board of Directors of Servizi Italia S.p.A., which met at the end of the Shareholders' Meeting held today, under the guidance of Chairman Roberto Olivi, assigned the corporate offices to the directors elected for the three-year period 2021-2023.

The Board of Directors assigned management powers to an **Executive Committee**, composed of Roberto Olivi (President of the Board of Directors and of the Executive Committee), Ilaria Eugeniiani (Director, appointed Vice-President of the Board of Directors and of the Executive Committee) and Michele Magagna (Director), assisted by the General Manager Andrea Gozzi.

The Board of Directors then verified that the Directors Anna Maria Fellegara, Benedetta Pinna and Antonio Aristide Mastrangelo met the **independence requirements** laid down in Articles 147-ter, paragraph 4, and 148, paragraph 3, of Legislative Decree no. 58/98, as well as the independence requirements laid down in the Corporate Governance Code.

In carrying out this assessment, the Board of Directors considered as not conditioning the independence assessment pursuant to the Corporate Governance Code of Anna Maria Fellegara the fact that she has been a Standing Auditor of the Company for more than 9 years in the last 12 years. This is in consideration of the fact that, as expressly provided by the Corporate Governance Code, more consideration must be given to the substance than to the form, and for the reason of the unanimously shared opinion on Prof. Fellegara's high level of professionalism, experience and independence of position and of the significant differences – in terms of functions, responsibilities and involvement in management decisions – between the position of Standing Auditor held in the Company until 28 April 2020 and the position of Independent Director taken on today.

The Board then established the **Governance and Related Parties Committee**, responsible for remuneration, appointments, control and risks and transactions with related parties, which is composed as follows:

- Anna Maria Fellegara - President (Independent Director);
- Antonio Aristide Mastrangelo (Independent Director);
- Benedetta Pinna (Independent Director).
